

Tarrant County ADRC

Tarrant County Aging and Disability Resource Center

Ashley Southerland
IDD Intake & Access Director

Mission

Our Mission is to create a unified network of partners by fulfilling the needs of older adults, individuals with disabilities, and caregivers in Tarrant County.

Select examples of achieving our mission:

- Serving more than 5,000 people per year
- Lifespan Respite
- Veterans Grant
- PEARLS
- Front door to services

Select training and outreach for individuals with behavioral health needs

- Mental Health and Aging: *Normal Aging, Chronic Illness, and Substance Abuse*
- Health Care Needs for People with Intellectual and Developmental Disabilities
- The Limits of Self-Determination: An Ethical, Legal, and Practice-Oriented Approach to Working With Clients Who Have Cognitive Impairment
- Better Together Conference *co-sponsored with IDD Council*

ADRC Steering Committee
